

Our VA Claims office and its team members have been temporarily relocated from the Sonny Montgomery VA Medical Center – Regional Office to our State Agency Central Office in Downtown Jackson.

If you need to speak with one of our Claims Officers for assistance, guidance, or a general inquiry, we ask that you contact our main line, (601) 576-5840. A representative will be able to connect to the Claims Officer from there.

If you prefer to email a member of the Claims Office directly, you can find their information on our website, <https://www.msva.ms.gov/serviceofficers>.
