

Water Distribution Event for Jackson Veterans

Our federal partners at the G.V. (Sonny) Montgomery VA Medical Center are scheduled to host a water distribution event Friday, September 2nd, from 9:30 a.m. through 12:00 p.m. at the main facility in Jackson, Mississippi.

The event is scheduled as a contactless drive-through function, with medical center employees and Shared Health Mississippi staff volunteering to distribute cases of water to Veterans and caregivers.

Water distributed during this event will be donated by Shared Health Mississippi. Community members interested in donating goods are encouraged to contact the Hospital's Center for Development and Civic Engagement Chief Tony Bailey at Tony.Bailey@va.gov or call 601-364-1312.
